information on this

page.

The image shows a screenshot of a web application interface with a dark theme. The interface is cluttered with various elements, including a top navigation bar with the text "JAC.V.ES", a central overlay box, and a table of data. The overlay box, titled "Use Select Columns to", contains a list of checkboxes: "Type of Work" (checked), "Explanation of 'Other'" (checked), and "Music Performance" (unchecked). Below the overlay, there is a table with columns for "TYPE OF WORK", "EXPLANATION", "CITY", and "STATE". The table contains several rows of data, including "Music Performance" and "Exhibits and Performances". The interface also features a sidebar with "Activities" and "CV Imports" tabs, and a "Filters: None" section. The overall appearance is that of a complex data management or reporting tool.

Use Select Columns to

- Type of Work
- Explanation of "Other"
- Music Performance

TYPE OF WORK	EXPLANATION	CITY	STATE
